2016 Annual School Nurse Conference

October 6-7, 2016
Sheraton Hotel • 1800 50th St.
West Des Moines, Iowa
Statement of Purpose

The College of Nursing is pleased to announce that Celina Peerman, PhD, an organizational behavior specialist with over 22 years’ experience in practical and real life scenarios will guide us in a workshop entitled Building on Our Best: Strengthening Our Dialogue for Improved Care of Ourselves and Each Other. Everyday actions for service and quality care depend on each of us doing our very best at work. This upbeat interactive session will highlight and review a variety of tools to support everyday actions and engage in difficult dialogues for a variety of situations. Discussion and activities will emphasize effective communication, managing the ups and downs of our work, and building stronger relationships that help us all reach our goals, ultimately serving the students, family and staff we have committed our very best to. Don't miss this engaging speaker!

In addition the conference will provide an array of both clinical and practice-appropriate topics including LGBT and student needs, working with gender non-conforming, non-binary, and trans* youth, human trafficking and youth traps, effective trust building with families of children with Diabetes, managing the Diabetic student in sports and activities, BIPS, childhood cancer, cost benefit tool for school nursing services and Step up, Be Counted. Don't miss this informative conference!
Objectives

Upon completion of this offering, the participant will be able to:

1. Identify tools to support everyday actions and engage in difficult dialogues with families and students.
2. Outline ways to effectively communicate while managing the demands of school nursing.
3. Identify tools to create stronger relationships that help serve the students, family and staff more effectively.
4. Describe the things that teens participate in that lead to human trafficking.
5. Identify interventions school nurses can do to identify or prevent human trafficking in our youth.
6. Outline the core features of Gender Identity.
7. Describe the many facets of Gender Dysphoria.
8. Discuss the current evaluative and treatment approaches including how schools can effectively respond.
9. Discuss terms and definitions commonly used by the LGBT+ community.
10. Identify resources and education on how to help children beginning to understand sexual and gender identities.
11. Identify 5 chronic health condition data points in the collection.
12. Identify 2 ways to submit voluntary data.
13. Identify 2 ways to present your school health data.
14. Identify 1 method to collect a teacher survey.
15. Identify the 22 indicators for collection in the Cost Benefit Tool.
16. Identify 3 outputs from the cost benefit tool.
17. Identify common challenges faced by children with cancer and their siblings.
18. Identify ways in which nurses can support patients and families
19. Describe the purpose of a functional behavioral assessment within the school setting.

20. Describe the purpose of a behavioral intervention plan within the setting.

21. Identify 3 ways mental health is supported through the functional behavioral assessment and behavioral intervention plans in schools.

22. Describe the differences in managing a child with Diabetes who is in sports or extremely active.

**Special Guest Faculty**

Celina Peerman, Ph.D.
President/Chief Training Officer
The Peerman Group

Dr. Celina Peerman is passionate about behavior at work that distinguishes a company and serves all stakeholders. Her work as an organizational behavior specialist has allowed her thousands of hours with hundreds of companies that she can apply over 22 years of experience into practical and real life scenarios. Through a combination of research, a sense of humor and real tools, Celina shares her experience through keynotes, training and customized opportunities to help drive performance on the job by growing our best resources—people. She has worked as a CNA, has over 10 years’ experience in teaching in undergraduate and graduate nursing programs….and she is great supporter of school nurses!

**University of Iowa RN – BSN Program**

Are you an associate degree or diploma prepared RN who is ready to expand your nursing skills and professional potential by earning the BSN? Cheri Doggett, RN – BSN Program Coordinator for the University of Iowa College of Nursing, will be available at the School Nurse conference on October 6 to evaluate your transcript(s) and provide you with an individualized plan of study for the University of Iowa BSN program. Please bring a copy of your transcript(s) to the conference and Cheri will provide feedback while you attend. Unofficial copies are fine.

The College of Nursing RN – BSN program is online with one practicum/clinical course (community and public health) that has face-to-face component but at a site close to your residing address. For more information about the RN-BSN program, go to [www.nursing.uiowa.edu/academic-programs/rn-bsn](http://www.nursing.uiowa.edu/academic-programs/rn-bsn).
Program Information

Registration
The registration fee for this two day conference is $199 by September 23, 2016. If received after September 23, 2016 the registration fee is $210. The one day only registration is $105. The registration fee includes program, materials, luncheons and refreshments, and CEU recording. Purchase orders are acceptable. Please note the purchase order number on the registration form and use the electronic (email) confirmation to present as an invoice to your school district.

FOUR WAYS TO REGISTER:

Mail:  UI Center for Conferences
       250 Continuing Education Facility (CEF)
       The University of Iowa
       Iowa City, IA  52242-0907

Fax:  319-335-4039

Phone: 800-551-9029 or 319-335-4141

Web:  www.centerforconferences.com (select “conferences” from the menu bar and scroll down to “Annual School Nurse”)

If this is the first time you have registered online with the UI Center for Conferences, you will not have a log-in or password until you create your account.
