THE UNIVERSITY OF IOWA
COLLEGE OF NURSING
and
IOWA ASSOCIATION OF NURSE PRACTITIONERS

2017 Annual Spring Nurse Practitioner Conference

Friday, April 28, 2017
Radisson Hotel and Conference Center
1220 1st Avenue, Coralville, Iowa
STATEMENT OF PURPOSE

The Iowa Association of Nurse Practitioners is pleased to host the 2017 Annual Spring Nurse Practitioner Conference. The conference will feature a variety of topics designed to enhance your professional practice: autism management update, pediatric dental update, ADHD updates, NICU graduates, unusual findings of CBC, antibiotic stewardship, immunization update, and reproductive health and menstrual abnormalities.

OBJECTIVES

Upon completion of this offering, participants should be able to:

1. Recall the most appropriate antibiotics used to treat the most common types of infections
2. Identify Iowa resources for children with ASD
3. Overview treatment options for children with ASD
4. Discuss Human Papillomavirus Vaccine (HPV) 2- and 3-dose schedule recommendations
5. Outline the Iowa Administrative Code changes requiring meningococcal vaccine for 7th and 12th grade applicants
6. Review meningococcal serogroup B vaccine recommendations
7. Discuss the oral health matters in pediatric general health care
8. Develop the case why primary care must play a role in advancing oral health beyond the dental office
9. Provide nurse practitioners resources to increase skills in pediatric oral health
10. Inform participants of legislation action of 2017 Legislative session
11. Increase recognition of congenital hematologic conditions and increase utility of CBC in clinical decision-making for PCPs
12. Review the incidence and prevalence of mental health disorders in children and adolescents in the US
13. Identify comorbid conditions that occur with ADHD and the symptoms of these disorders
14. Describe use of standardized instruments to assist in making accurate diagnoses of comorbid disorders in children and adolescents with ADHD
15. Review psychopharmacologic and non-pharmacologic interventions that can be used for children with ADHD and comorbid conditions
16. Identify potential health issues post discharge for NICU graduates
17. Describe management of health problems for post NICU care infants
18. Discuss adolescent success rates with various contraceptive methods
19. Incorporate evidenced-based contraceptive counseling strategies into practice
20. Summarize the results of the Colorado Family Initiative and the impact on teen pregnancy in the state
