The University of Iowa College of Nursing is seeking a qualified Family Nurse Practitioner (FNP) applicant for a Clinical-Track (Non-Tenure) nine-month faculty position in the Doctor of Nursing (DNP) program. The applicant will need a foundation in practice, teaching and scholarship.

Areas of particular interest include teaching expertise in:
- Family Nurse Practitioner practicum/clinical
- Pathology
- Pharmacology

**U.S. News & World Report** publishes America's Best Graduate Schools 2017, a guidebook that ranks several UI College of Nursing graduate programs among the finest in the nation:
- No. 3 - Nursing Service Administration (Health Systems)
- No. 10 – Nurse Anesthesia
- No. 11 – Pediatric Nurse Practitioner (Primary Care)
- No. 12 – Doctor of Nursing Practice
- No. 15 – Adult/Gerontology Nurse Practitioner (Primary Care)
- No. 17 – Family Nurse Practitioner
- No. 23 – Master of Science in Nursing Clinical Nurse Leader

The college has a long-standing tradition of producing nursing leaders for practice, education and research. For more than a century, College of Nursing graduates have achieved distinguished careers as scholars, educators, practitioners, and nurse executives. At Iowa, we are committed to preparing future nurse leaders with the courage, creativity, and passion to use their skills and knowledge to improve the health of individuals and communities.

As a community of nurse scholars, we believe that an expert faculty with varied areas of expertise is required to carry out the educational mission of the college. Faculty are committed to designing and implementing curricula in which students develop critical thinking, decision-making skills, clinical judgment, cultural sensitivity, and professional nursing values in an increasingly complex health care system. The college is committed to promoting diversity and inclusion in achieving our education, research, service and practice missions, as demonstrated through our [Pillars of Diversity](#).

**Requirements include:**
- Earned doctorate in nursing (Research or Practice Doctorate; DNP preferred)
- National certification as an FNP
- Expertise and experience in clinical specialty
- Expert with statewide and national recognition to be considered for Associate Professor and Professor ranks
- Licensed Registered Nurse and eligible for licensure in the state of Iowa
