Assistant Dean for Graduate Practice Programs

The University of Iowa (UI) College of Nursing is seeking applicants to serve as the Assistant Dean for Graduate Practice Programs. The Assistant Dean will provide administrative leadership, oversight, and coordination, including responsibilities for the day-to-day operations of the DNP and MSN/CNL programs, and will work directly with the Executive Leadership Team to ensure the quality and vitality of the DNP and MSN/CNL programs. The selected candidate will have a demonstrable teaching and scholarship record commensurate with the rank of a Clinical Track Full Professor or Associate Professor, or Tenured Full Professor or Associate Professor.

Qualifications:

• Earned doctorate in nursing or a doctorate in a related field with a graduate degree in nursing from an accredited school of nursing.
• Demonstrated experience in curriculum and/or program development and evaluation.
• Knowledge of professional accreditation standards.
• Record of teaching excellence, innovation and creativity in baccalaureate and graduate nursing education.
• Record of scholarly achievement.
• Demonstrated commitment to promoting a diverse environment.
• Eligible for appointment as a Clinical Associate Professor, Clinical Professor, Associate Professor, or Professor.
• Licensed Registered Nurse and eligible for licensure in the State of Iowa.
• Certified as an advanced practice nurse by a national certifying body and eligible for licensure as an ARNP in the State of Iowa.
• Academic administrative experience – minimum of two years.

How to Apply:

Interested applicants should apply online at http://jobs.uiowa.edu under requisition #67805, including a letter describing relevant experiences and interest in the position; curriculum vitae; and the names and contact information of three references (to be contacted only with permission).
