Countdown to MNRS!

We’re less than 6 weeks away from the 2015 Midwest Nursing Research Society Conference (April 16-19, 2015, Indianapolis) and looking forward to a great conference and to honoring our CON award winners:

- **Ann Marie McCarthy**, 2015 Distinguished Contribution to Research Award
- **Kristine Williams**, 2015 MNRS/John A Hartford Foundation Leadership in Geriatric Nursing Research Award
- **Brianne Black Ford**, 2015 Dissertation Award from the Pain and Symptom Management Research Interest Group (RIG) for her dissertation titled “Assessing Pain in Older Adults with Dementia”
- **Ann Bossen**, 2015 Dissertation Award from the Gerontological Nursing Science RIG for her dissertation titled “The Naturally Restorative Environment as Non-pharmacological Intervention for Persons with Dementia: A meta-analysis”

A reminder that if you will be presenting a poster and need assistance with formatting and printing, to please contact Linda Curran (linda-curran@uiowa.edu) as soon as possible. She will direct you to the appropriately sized templates for this year’s conference. This is a busy time of year with requests for poster assistance and for using the poster printer, so letting Linda C. know of your plans in advance will help her to assist you better.

Folks who are attending the conference, please be sure to come and support our students at their poster sessions. We have 6 students representing the CON in the poster competition, as well as many others who responded to the general call for posters.

**BSN and MSN**

- **Friday, April 17, 2015**
  - 3:00 PM – 4:30 PM

**PhD and DNP**

- **Saturday, April 18, 2015**
  - 3:30 PM – 5:00 PM

After the final conference program is released, please be on the lookout for a compilation of CON folks who will be presenting at the conference. Nancy Goldsmith will also be putting together a cell phone list to help everyone find each other in Indianapolis.

Finally, if you will be giving a talk at MNRS, please let Linda Hand know ASAP, as we are in the process of organizing some practice sessions. Thanks to all!

RecycleMania continues! – Dianne Rash and Linda Curran

In the spirit of RecycleMania and all of Bill Donahue’s encouraging emails, we wanted to make sure you knew that there are many gently-used supply items on the second floor of the Research Suite and in 237 CNB that are available for use at work.

The items are located in the cabinets by the copier and include the following: assorted 3-ring binders, gently used manila and colored folders, brown and colored accordion files, plastic upright magazine holders, page dividers with tabs, assorted labels, laser transparencies, regular hanging files in the standard green and other colors, legal size hanging folders, and tabs for labeling hanging files.

If you don’t have access to the second floor, you can email or call Dianne Rash at 335-8581 to arrange a time to pick up the items.

Also, a reminder that if you are ending a research project and have supply items that can be used again, please feel free to put the items in the cabinets or give the items to Dianne Rash or Linda Curran.

Research Forum – March 10, 2015

Our next Research Forum will take place next Tuesday, March 10, 2015 from 11 AM – 1 PM in 133 CNB. At 11 AM, Linda Curran (ONRS) and Oliva Smith (DSP) will present on “The New NIH Biosketch.” At 12 noon, Andy Schreiver (CEO, Park Street Solutions) will present on “Building a Data Warehouse at the UIHC.”

Here is a link to our full schedule http://www.nursing.uiowa.edu/research/events

Recordings of previous Research Forum and Lunch are available here:
