Spring 2016 ONRS Recap: Ann Marie McCarthy

It's been a busy spring for research here at the CON! We were delighted to see that the CON is now ranked 20th nationally in NIH funding among schools and colleges of nursing. For more details on this achievement, please read more here: http://www.nursing.uiowa.edu/news/5/3/2016

Congratulations to Stephanie Gilbertson-White, who is receiving a Junior Faculty Career Development Award from the National Palliative Care Research Center (NPCRC) for her project titled "Use of Telehealth Technologies for Symptom Management Support for People with Advanced Cancer Living in Rural Communities." Great job, Stephanie! Please visit this page to read more: http://www.nursing.uiowa.edu/news/5/5/2016

Finally, here are some highlights of our busy Spring. Please see the following page for photos from each of these events.

MNRS, March 17-20, 2016, Milwaukee, WI: CON Faculty and Students traveled to the conference where the CON was represented by 8 posters and 6 oral presentations, and four awards. Special thanks to Nancy Goldsmith who as always made sure the CON booth looked outstanding and to Linda Curran for all of her assistance with travel arrangements and poster printing. Congratulations, everyone!

April 28, 2016, UI Office of the Vice President for Research and Economic Development Celebrating Excellence: Discovery and Innovation Awards Ceremony: This annual event recognizes outstanding faculty, staff and students in research. This year, Katie Hadlandsmyth (mentor: Barb Rakel) received the Outstanding Postdoctoral Fellow Award and Rae Corrigan (mentor: Stephanie Gilbertson-White) received the award for Excellence in Undergraduate Research. Way to go, Katie and Rae!

Finally, thanks to everyone for making our 2016 CON Research Day and Informatics Showcase (April 25-26) a great success! We are grateful to the Office of the Vice President for Research and Economic Development for loaning us the “Dare to” research banners featuring Drs. Keela Herr, Ann Marie McCarthy and Marianne Smith that are currently on display in the Well area.

Over the two days, 15 posters were displayed at UIHC on Monday and 17 on Tuesday at the CON. Please see the following page for photos from our display!

We were also pleased to have a full house for the Informatics Showcase on Tuesday, where Ann Marie McCarthy, Barbara St. Marie, Stephanie Gilbertson-White, Melissa Lehan-Mackin and Kristine Williams presented brief snapshots of their ongoing research incorporating health information technology and informatics.

A recording of this event is available here: http://nursing.uicapture.uiowa.edu/Panopto/Pages/Viewer.aspx?id=1382d230-1bc0-47fb-aae-aee-d8f28bd15d2c
The CON booth and some of our awesome faculty: Barb St. Marie, Patricia Groves and Amany Farag!

Congratulations to our Student Poster Competitors!

Undergraduate Jacqueline Bannon

Undergraduate Margaret Turk

PhD student Nicole Bohr

PhD student Stephanie Edmonds

PhD student Kristen Manges

Margaret Turk, 2016 MNRS Undergraduate Student Research Scholars’ Award

Associate Catherine Cherwin, 2016 Outstanding Dissertation Award, Pain/Symptom Management RIG

PhD Student Kristin Manges, 2016 Joseph & Jean Buckwalter Grant
2016 Celebrating Excellence: Discovery and Innovation Awards

Katie Hadlandsmyth, PhD, Postdoctoral Research Scholar Excellence Award

Rae Corrigan, Junior, College of Nursing, Excellence in Undergraduate Research

2016 CON-UIHC Nursing Research Day

Posters of nurse-led projects on display at UIHC on April 25, 2016

The CON’s “Dare to” banners, on loan from the Office of the Vice President for Research

Posters of nurse-led projects on display at College of Nursing on April 26, 2016

Our annual Nursing Research Day poster exhibit description.
CON Research Forum: May 10, 2016

The final Research Forum and Lunch of 2016 will take place on Tuesday, May 10, 2016 in 133 CNB. For the 11 AM talk, James Schappet and Todd Papke will present on “Apple Research Kit.” Jimmy Schappet is the Lead Application Developer for the University of Iowa Institute for Clinical and Translational Science. He builds custom web and mobile applications for the research community and his focus is on helping researchers manage and process their data. Todd Papke is the Technology Innovations Scientist at the UI CON and UIHC. He works with faculty on projects that seek to incorporate use health information technology and informatics methods.

For the noon Research Lunch, we are pleased to have updates from three recipients of the CON Dean’s Research Grants. Barbara St. Marie will present on her pilot titled “Prescriptive Decision Support for Persistent Pain and Risk for Opioid Misuse.” Andrea Wallace will present on “Supporting Diabetes Self-Management with Collaborative Goal-Setting: The Role of PCPs.” Pam Mulder will present on “Balancing the promotion of breastfeeding and prevention of dehydration in newborn infants: a feasibility study.” Come learn more about these projects!

The complete Research Forum schedule for 2015-2016 is available here: http://nursing.uiowa.edu/research/events

To access recordings of past research events, please visit: http://nursing.uiowa.edu/research/past-forums

New: Publication Spotlight - Ann Marie McCarthy

Just a reminder that our monthly Publication Spotlight focuses on recent publications (dated 2015 or 2016) by 5-6 CON faculty each month. Faculty are showcased at random and searches of Scopus, PubMed and CINAHL will be used to locate recent publications. Faculty are not required to send us anything, but if you have a new publication that is not yet indexed, please feel free to forward the reference to Linda Hand (linda-hand@uiowa.edu). At the end of each update will be a list of faculty whose work will be shared in the following month’s spotlight.

In the spotlight for May 2016: Sue Lehmann and Lisa Segre. Please continue to the following page for this month’s featured publications!
