Congratulations to PhD student **Staja (Star) Booker**! She was nominated and selected as a recipient of one of the 2016-2017 Dean’s Achievement Awards. These awards “honor student leaders who are visionaries, initiators, influential and dedicated to diversity at the University of Iowa or surrounding communities.” Star will be recognized on May 10 at the Center for Diversity and Enrichment Graduation Reception and her name will be included in the list of Dean’s Achievement Award recipients. Congratulations, Star!

Congratulations to PhD student **Kirstin Manges**! She just learned she was awarded a Student Research Grant for her project titled “**Team Shared Mental Models and Patient Discharge Readiness**” from the Versant Center for the Advancement of Nursing. Way to go, Kirstin!

Congratulations to PhD student **Sena Chae**! She and her colleague Kangsan Lee (graduate student in Geographical and Sustainable Science) competed in the 2017 Frontier Co-op Tippie Impact Competition. Competitors pitched their sustainable business model to a panel of judges and winners received a cash prize and have an opportunity to develop their businesses in the Bedell Entrepreneurship Learning Laboratory. Sena and Kangsan’s project titled “**Advertisement for Earth – PVC Free Medical Bag**” won **2nd Place** and they will receive a $1,000 cash award for their project. Congratulations, Sena and Kangsan, on this wonderful achievement!

---

**GRANTS SUBMITTED**

Julie Vignato (postdoc, Pain T32), with Lisa Segre and Ann Marie McCarthy – “**Pain, Depression, and Quality of Life in Pregnancy,**” American Nurses Foundation (ANF) Research Grant.

Julie Vignato (postdoc, Pain T32), with Lisa Segre, Ann Marie McCarthy and Yelena Perkhounkova – “**Pain, Depression, and Quality of Life During Pregnancy,**” Sigma Theta Tau Gamma Gamma Chapter Research and Research Utilization Grant.

**CON Grant Writing Workshop June 13-14, 28-29**

Thanks to everyone who completed our online poll about the 2017 workshop! The ONRS will hold its annual four-day Grantsmanship Workshop on **June 13-14** and **June 28-29**, 2017. The workshop will combine morning didactic presentations on grant writing topics from experienced grant writers and afternoon, small group work sessions that are facilitated by senior faculty. If you have not yet signed up to attend, please do so here: [https://uiowa.qualtrics.com/jfe/form/SV_ahh0k7HmtMNCCVmJ](https://uiowa.qualtrics.com/jfe/form/SV_ahh0k7HmtMNCCVmJ)

Phase 1 (June 13-14) will be geared toward the early components of grant writing (e.g., specific aims, gap and significance) and Phase 2 (June 28-29) will focus on later components (e.g., methods, approach, protocol development). This will allow people more time to work on their proposals in between phases. We will schedule didactic presentations for both phases and everyone is free to attend any and all of the didactic presentations.

A full workshop schedule will be circulated as soon as it is available. Until then, if you have any questions or suggestions for how to improve the workshop, please email **Linda Hand** (linda-hand@uiowa.edu).

Research Computer Lab Update – Linda Hand

The ONRS provides financial support for the software in 137 CNB (a.k.a., the Research Computer Lab). This room is accessible by card swipe only, so please email Nancy Goldsmith (nancy-goldsmith@uiowa.edu) to request access to 137 CNB.

Below is a reminder of the software that is currently installed on the five computers in 137 CNB. The ONRS is also in the process of purchasing NVIVO 11.0, which will be installed on Computer #5. We would appreciate hearing from you if you have comments or suggestions about how to improve the computer lab and what other software programs would be useful to have. Please email me with your feedback (linda-hand@uiowa.edu).

Research Forum & Lunch – May 9, 2017

Our final Research Forum and Lunch of the 2016-2017 school year will take place on Tuesday, May 9, 11-1 PM in 133 CNB.

For the Research Forum (11-12), Amaury Lendasse (Associate Professor, Industrial Engineering) will present on "Data Visualization."

For the Research Lunch at noon, we are delighted to have four of our DNP Program Directors present on interesting case studies that they have encountered in their clinical practice. We hosted clinical presentations for the first time last year and the idea is for clinical faculty to showcase an interesting, evidence-based advanced practice case study. We are grateful to the following faculty who have agreed to present cases this year: Mary Dirks, Kerri Rupe, Cormac O’Sullivan, and Susan Van Cleve.

Lunch will be provided and CEU’s are available (.12 CEUs for each presentation, for a total of .24 per month). Everyone is invited to attend! If you are expecting to receive CEU’s, please make sure that you have a completed CEU enrollment form on file with the ONRS (Linda Hand). After the May Forum and Lunch, I will be sending out a link for attendees to complete an electronic program evaluation survey. CEU’s will be awarded after the survey closes.

The complete fall schedule is available at http://nursing.uiowa.edu/research/events. To access recordings of past research events, please visit: http://nursing.uiowa.edu/research/past-forums
CON Publication Spotlight – May 2017

Our monthly publication spotlight highlights a randomly selected group of faculty and uses searches of Scopus, PubMed and CINAHL to locate recent publications (dated 2016 or 2017, or in press or accepted for publication). Faculty are not required to send us anything, but if you have a new publication that is not yet indexed, please feel free to forward the reference to Linda Hand (linda-hand@uiowa.edu). At the end of each update will be a list of faculty whose work will be shared in the next month’s spotlight.

In the spotlight for May 2017: Lioness Ayres, Laura Cullen, Sue Lehmann, and Sue Moorhead. Hard copies are now being posted on the 4th floor on our new “Like it? Take it!” bulletin boards. We hope this will be a fun way for everyone to read about and catch up on each other’s current projects.

Note: Names of CON students (or former students) are underlined.
