

Dominic 'Dom' Gliko

Hometown: Billings, Montana

Graduation year and program: December 2021, RN-BSN

Future Plans: Dom was recently accepted to the University of Nebraska Medical Center's BSN-DNP, psychiatric/mental health nurse practitioner program for Fall 2022. He plans to continue his work with Nebraska Medicine's outpatient psychiatry clinic while finishing his doctoral degree. His post-doctorate plans include collaborating with the Nebraska Medicine Transgender Care Clinic to increase the accessibility of mental health care for transgender children, adolescents, and adults.

2022 College of Nursing Dean's Achievement Award Recipient
