**NURSING**

# Congratulations!

**Shruti Naik, BSN, RN**

**2020 College of Nursing  
Dean's Achievement Recipient**

A native of Carol Stream, Illinois, Shruti Naik will earn her Bachelors of Science in Nursing degree in May 2020 from the University of Iowa College of Nursing. Shruti is on the Dean's List and was instrumental in helping early admission nursing students as well as underrepresented and first-generation pre-nursing students through her work as a College of Nursing Supplemental Instructor and Tutor in Animal Biology and Human Anatomy. *"What I valued most about SI was connecting with students from all different age groups, and phases of study through a shared interest and love for nursing."*

Shruti 's senior community health project was with Fifth Ward Saints North whose mission is to provide at-risk youth social and emotional training and support via educational programs that inspire healthy choices.

After graduation, Shruti will work at NICU2 at the University of Iowa Stead Family Children's Hospital in Iowa City.
