Testimony before Governmental or Regulatory Agencies

| | |
|------|--|
| 2018 | Testified before the Iowa State Legislature Senate Human Resources subcommittee in support of SSB 3123 – the Iowa CARE Act and submitted a letter of support for HF 2289 (amendment H-8207) to House Human Resources sub-committee Representative Dolecheck. The bill would require hospitals to ask patients to designate a lay caregiver to provide after-care assistance, allow the hospital to share relevant patient health information with the designated lay caregiver, and provide the lay caregiver information and instruction regarding after-care activities needed by the patient upon discharge from the hospital. Passed out of subcommittee. |
| 2015 | Testified and submitted written testimony to Health and Government Operations Committee of the Maryland State House of Delegates and the Education, Health and Environmental Affairs Committee of the Maryland State Senate at Hearings for HB 999 and SB 723, bills to remove statutory requirement to have “an agreement to collaborate” and a Board of Nursing approved Attestation naming a physician collaborator in order to practice as a Nurse Practitioner. Testimony was on behalf of the Nurse Practitioners Association of Maryland. Bill passed and signed into law. |
