

Katie Halbmaier, DNP, ARNP
Nurse Practitioner
Associate Professor of Instruction

HVC Administration Hallway, C43 GH
200 Hawkins Drive
Iowa City, IA 52242
Phone: 319-356-7374; Fax: 319-353-7331
Email: katie-halbmaier@uiowa.edu

EDUCATION

- 2014-2018 Doctor of Nursing Practice, University of Iowa, Iowa City, IA
Family Nurse Practitioner
Project: Evaluating the practicality of clinic-wide utilization of a psychotropic assay
- 2010-2013 Bachelor of Science in Nursing, University of Iowa, Iowa City, IA

Post-graduate Training

- 2018-2019 Cardiology Residency, University of Iowa, Iowa City, IA
2016 Summer Genetics Institute, National Institute of Health (NIH), Bethesda, MD

LICENSURE

- | | | | |
|--------------|-------------------------------------|--------------------------------|-----------|
| 2021-present | Controlled Substance Registration | DEA | MH4972483 |
| 2018-present | Certified Family Nurse Practitioner | State of Iowa Board of Nursing | A136020 |
| 2014-present | Registered Nurse | State of Iowa Board of Nursing | 136020 |

CERTIFICATIONS

- | | | |
|--------------|--------------------------------------|--|
| 2023-present | Advanced Clinical Genomics Nursing | Nurse Portfolio Credentialing Commission
19113047 |
| 2020-present | Advanced Cardiovascular Life Support | American Heart Association
206502302714 |
| 2020-present | Basic Life Support | American Heart Association
205502062047 |
| 2018-present | Family Nurse Practitioner | American Academy of Nurse Practitioners
F07181010 |

PROFESSIONAL EXPERIENCE

Academic Appointments

- 2025-present Associate Professor of Instruction, University of Iowa College of Nursing, Iowa City, IA
2021-2025 Instructional Track Lecturer, University of Iowa College of Nursing, Iowa City, IA
2016-2021 Adjunct Lecturer, University of Iowa College of Nursing, Iowa City, IA

Clinical Appointments

- 2025-present Clinical Trial Principle Investigator, University of Iowa Healthcare, Iowa City, IA
2025-present ACACIA-HCM, Study Protocol CY6033
2025-present DISCOVER-HCM, Study Protocol CV027012
- 2023-present Clinical Trial Sub-investigator, University of Iowa Healthcare, Iowa City, IA
2024-2025 ACACIA-HCM, Study Protocol CY6033
2023-2025 ODYSSEY-HCM, Study Protocol CY027031
2023-2025 DISCOVER-HCM, Study Protocol CV027012
2023 SEQUOIA-HCM, Study Protocol CY6031
- 2019-present Advanced Registered Nurse Practitioner, General Cardiology and Cardiovascular Genetics Clinics, University of Iowa Healthcare, Iowa City, IA
- 2014-2016 Registered Nurse, Mercy Des Moines Central Campus, Des Moines, IA

HONORS AND AWARDS

- 2023-2024 Patient Choice Award, University of Iowa Healthcare, Iowa City, IA
2022 Pesek Humanitarian Award recipient, University of Iowa, Cardiology, Iowa City, IA

SERVICE

Society/Association Membership, Participation, and Leadership

2020-present American Heart Association

July 2023-present

Council on Genomic and Precision Medicine
Nominating Committee

2020-present American College of Cardiology

October 2020-February 2021	Introduction to Women in Cardiology high school event, committee chair
October 2021	Iowa American College of Cardiology Annual Chapter Meeting, moderator
2020-present	American Association of Nurse Practitioners
2016-present	Iowa Nurse Practitioner Society
2013-present	International Society of Nurses in Genetics
March 2016–May 2017	Professional Practice Committee member

Professional Consultation

June 2024-present	Advisory board member, Cytokinetics
March-July 2023	Panelist, Delphi study to formalize Competencies for Genomics Nurse Educators (CGNE)

University

University of Iowa Healthcare, Iowa City, IA

2025-present	Epicgenomics Implementation Task Force, cardiovascular genomics member
2024-present	Advanced Practice Provider (APP) Consulting Group, member
2021, 2024	Progress Conference planning committee, member
2023	Heart Failure 360 Conference planning committee

Collegiate Service

Task Forces and Ad Hoc Committees

2023-2024	3 P's (Pathophysiology, Pharmacology, Physical Assessment) Assembly for Curriculum Mapping
-----------	--

Standing Committees

2014-2018	Association of Graduate Nursing Students
2017-2018	DNP Forum Committee Chair
2016	Technology Committee Chair
2016-2017	Vice President
2016	Cultural Diversity Committee Chair

Community Service

Health-related community organizations and groups

2011-2013	Mobile Clinic, intake clerk and health educator, volunteer
2010-2011	University of Iowa, NICU volunteer

TEACHING

Instructional Activities

Course Instruction

2016-present	NURS:3734 - Introduction to Human Genetics. Primary instructor, 20% effort, undergraduate RN-BSN, ~30-40 students, fall and spring semesters.
--------------	---

2019-present NURS: 5040 - Genetics/Genomics for Advanced Nursing Practice, Co-instructor, 20% effort, graduate DNP, ~50-60 students, summer semester.

New Course Development

2019 NURS: 5040 - Genetics/Genomics for Advanced Nursing Practice, graduate DNP students.

Guest Lectures

2025 NURS:6011 Chinese University of Hong Kong, Genetic and Genomic Nursing Study Stream of the Master of Nursing Program. Three recorded lectures on genetic testing, ~20 students.

2024 NURS:5014 - Graduate Physiology for Advanced Practice. University of Iowa course. 12 recorded lectures covering 13 textbook chapters (2 weeks of content) on Cardiac Structure, Cardiac Pump, Electrophysiology, and Circulation, FNP students, ~45 students.

2023-2025 NURS:6703 - Advanced Practice Clinical Practicum III. University of Iowa course. In-person lecture on Advanced Cardiac Evaluation and Diagnosis, DNP students, ~20 students.

2018 NURS:3138 - Nursing Pharmacological Interventions. University of Iowa course. In-person lecture on Personalized Health Care, pre-licensure BSN students, ~80 students.

2018 NURS:3518 - Nursing Pathology. University of Iowa course. Recorded lecture on “omics” with in-class activity, pre-licensure BSN students, ~80 students.

2017 University of New Mexico pharmacology course. Two recorded lectures on Pharmacogenomics, DNP students, ~50 students.

2016-2018 NURS:5025 - Physiology and Pathophysiology for Advanced Practice. University of Iowa course. Five recorded lectures on Overview of Genetics/Genomics, Genetic Variation and Epigenetics, Mendelian Patterns of Inheritance, Chromosomal Patterns of Inheritance, and Nonmendelian Patterns of Inheritance, DNP students, ~30 students.

2016-2018 NURS:5029 - Pharmacotherapeutics for Advanced Clinical Practice. University of Iowa course. Two recorded lectures on Pharmacogenomics, DNP students.

2016 NURS:6100 - Primary Care: Infants, Children, and Adolescents. University of Iowa course. Four in-person lectures on Overview of Genetics/Genomics, Genetic Variation and Epigenetics, Mendelian Patterns of Inheritance, and Nonmendelian Patterns of Inheritance, DNP students, ~30 students.

Mentoring, Advisement, and Preceptorship

Faculty Mentorship

2023-present Chandra Miller, teaching Genetics in NURS:3734 and NURS:5040

2020- 2021 Young-Eun Cho, teaching Genetics in NURS:3734

2017-2018 Caitlin Dreisbach, teaching Genetics in NURS:3734

Graduate DNP Capstone Project Mentoring

2024-2025 Andrea Damon, Enhancing early detection of familial hypercholesterolemia through provider education and HER-integrated screening in primary care and cardiology clinics

Undergraduate Honors Designation Project Mentoring: NURS 1030

2024-2025 Nicole Weiland, Optimizing the accessibility and effectiveness of cardiovascular patient education

2020 Katie Van Cleve, Educational interventions for fluid management in heart failure

Precepting FNP-track DNP Student Clinical Preceptor

2025 Amber Hoffman, 66 hours

2025 Mason Kerian, 24 hours

2025 Ellie Buris, 24 hours

2024 Caitlin Al-Ostaz, 180 hours

2023 Lan Potter, 60 hours

2022 Judith Pena-Quevedo, 32 hours
