Awards

RESEARCH & CLINICAL PARTNERSHIP AWARD

Criteria

- Include a research and clinical partnership at the College of Nursing.
- Demonstrate evidence beyond regular job responsibilities or clinical assignment.
- Demonstrate evidence of innovation and high-quality impact on the College of Nursing mission.
- One award per project collaboration. (i.e. individuals may receive an award more than once, but only after demonstrating new collaborations)

Nomination Information

- Nominations can be initiated by current faculty, colleagues, department administrators, deans, or by self nomination.

Required Nomination Documents

- A letter of nomination including 1-2 page description of the partnership.
- The most current CVs on file for the nominees will be used unless otherwise provided by the nominees.
- 1-2 letters of support.

Submission Information

- Nomination letters with multiple signatures will be accepted.
- Each award can only be won once every 5 years.
- Please email **Heather Dunn**, heather-dunn@uiowa.edu, with any questions.
- Nominating materials should be submitted using the **nomination form**.
